

## contracts

- **manually signed contracts**
  - signed off-line with holographic hand-written signatures using wet ink.

- **electronically signed contracts**
  - signed online with electronic signatures.

- **contracts signed with non-pub-priv keys signatures**
  - signed with non-sophisticated electronic signatures e.g. email and press “accept” keyboards.
- **contracts signed with pub-priv keys (called also digital signatures and cryptographic signatures)**
  - signed with signatures based on pub-priv keys.
